Catarrh Can Be Cured

Kill the Germs By Breathing Hy-o-mel.---Gives Quick Relief.

Many people who have suffered with catarrh for years naturally feel that the disease cannot be cured, and become discouraged.

Their failure to get relief is due to the fact that they have not used the right remedy. Catarrh is an affection of the head, throat and lungs, and cannot be cured by stomach dosing.

The only scientific and natural treatment for this disease is Hy-o-mel, which is breathed through a neat pocket inhaler, so that its healing medicated air reaches the most remote air-cells, kills all catarrh germs, and restores the mucous membrane of the nose, throat and lungs to a healthy condition.

Hy-o-mel is the only cure for catarrh that has ever been sold with the understanding that it was to cost absolutely nothing unless it cured. T. T. Lauren sells Hy-o-mel in this way and is always ready to refund the money if it does not relieve and cure catarrh.

The healing and antiseptic balsams of Hy-o-mel perform their purpose to perfection, and by using this remedy for a few times each day, you can soon cure yourself of any catarrhal troubles. A complete Hy-o-mel outfit consisting of a bottle of Hy-o-mel and an inhaler costs but \$1.00.

AN INSIDIOUS DISEASE.

One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Cure at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. T. F. Laurin, Owl Drug Store.
